

Homework: two page from project proposal

Home Page

My Favorite Article Page

Profile Page

Github: <https://github.com/ChommakornS/ITCS424-GrDQol-072-086-189-190>

Folder: - lib/screens/fav\_screen.dart (My Favorite Article Page)

- lib/screens/profile\_screen.dart (Profile Page)

**Recommend:** I recommend downloading the entire GitHub folder to connect all pages. Moreover, there are some shared resources, so if the whole folder is not downloaded, some resources may disappear.
